Appellees.

Supreme Court No. S-17625

Notice Printing of Briefs

Date of Notice: 4/27/2020

Trial Court Case No. 3AN-17-00224CN

The Guardian Ad Litem's brief submitted on 4/20/2020 in the above case has been **CONDITIONALLY ACCEPTED**. The brief is being returned for printing under Appellate Rule 212(a)(2). Please use the following guidelines for the printing and distribution of the brief. **Please make the following changes to the brief before printing.**

1. The table of contents does not appear to fully reflect the brief contents. For example, it says that the introduction starts on page 1, but there is no introduction. It also does not contain any reference to subtitles in the brief. For example, the brief contains argument subsections I.A, I.B, I.C, II.A, and II.B. But none of these subsections are listed in the table of contents. Finally, the page references in the table of contents do not appear to be correct. For example, the table of contents incorrectly states that argument subsection II starts on page 10 and that the conclusion starts on page 13. I recommend that the table of contents should be updated to reflect the proper sections, subsections, and page numbers in the brief.
2. The list of cases is not alphabetized as required by Appellate Rule 212(c)(1)(B).
3. The brief states on page 1 that it joins with the State's the jurisdictional statement and statement of parties. But the State's brief does not contain a jurisdictional statement or a statement of the parties.

The brief is being returned for printing under Appellate Rule 212(a)(2). Please use the following guidelines for the printing and distribution of the brief.
